EXPERIENCE

STAFF ACCOUNTANT

GREENFIELD ACCOUNTING SERVICES

Los Angeles, CA

June 2020 - Present

- Prepare monthly financial statements and ensure compliance with GAAP standards
- Conduct account reconciliations for multiple departments, resolving discrepancies and improving accuracy
- Support month-end close processes by compiling and analyzing financial data across all departments
- Develop and maintain detailed documentation for internal audit and external reporting
- Utilize advanced Excel functions to create automated financial models and forecasting tools

STAFF ACCOUNTANT

PRECISION ACCOUNTING SOLUTIONS

San Diego, CA

July 2018 - May 2020

- Perform routine account reconciliations and ensure all financial records are accurate and up-to-date
- Assist in the preparation of quarterly and annual financial reports for internal stakeholders
- Maintain accurate records of payroll, expenses, and vendor transactions
- Collaborate with team members to ensure timely and accurate financial reporting
- Streamline data entry processes using Excel and QuickBooks to improve efficiency

PROJECTS

FINANCIAL REPORTING AUTOMATION

Developed an automated Excel template to streamline the monthly financial reporting process, reducing manual data entry by 30% and improving report accuracy.

INTERNAL CONTROLS REVIEW

Conducted a comprehensive review of internal controls for the accounts payable and receivable processes, identifying three key areas for improvement and implementing corrective actions.

CERTIFICATIONS

CERTIFIED PUBLIC ACCOUNTANT (CPA)

California Board of Accountancy

License Number: CP1234567

Issued: December 2022
