

Maya Lindqvist
Frontend Developer

SUMMARY

Frontend developer with 2 years of experience building React applications.

EXPERIENCE

Frontend Developer, Kestrel Outdoors (2024 - Present)

- Built customer-facing features in React and JavaScript, integrating with backend REST APIs.
- Added an automated safety net to the checkout flow so regressions were caught before deployment instead of by users in production.
- Implemented responsive layouts in HTML/CSS across the site.

SKILLS

JavaScript, React, HTML/CSS, REST API integration

EDUCATION

BSc Computer Science, University of Sheffield (2021 - 2024)
